Im Hollie the owner of Hollie Jade Studios, based in Mandurah and also available mobile. I love to create and have FUN with art supplies.

I started painting and creating when I was 9 and I haven't stopped. In fact my little art box has travelled the world with me!

I have personally seen and felt the benefits of creating freely and I am on a mission to share this with you

My Art Studio is in Mandurah (25 Smart Street Mall)

You can host your event with me in the studio or I can come to your venue of choice. In this guide you will find the different packages I offer for your child's paint party event.
